### REFERRAL FOR EGG STORAGE

Screening bloods **must** be taken **prior to referral**. Patients can be referred whilst awaiting results. The form **must** be signed by a registered medical practitioner. If completed form is to be emailed please also notify BFC by telephone 01761 434464.

If the patient is under 40, storage may be NHS funded for 1-10 years (length of time varies according to CCG and woman's age). Women may have to fund their own storage if they already have children.
